Whether you are new to the trucking industry or looking to sharpen your skills, this program sets you up for success on the open road. Join us today and take the first step towards your trucking career!

At USA Logistics Training Solutions, we offer top-tier CDL training designed to secure you jobs with a national average salary of at least \$78,000. Our graduates are in high demand, and we are committed to you with the best opportunities

What is a Class A License?

Class A license allows you to operate a combination vehicle including semi-trailers using a fifth wheel coupling system.

- Class A CDL allows the driver to operate vehicles with a gross vehicle weight rating (GVWR) of more than 26,001 pounds.
- Class A CDL allows the driver to operate vehicles with a towed unit that has a GVWR of more than 10,001 pounds.
- Class A CDL allows the driver to operate Class B and C class vehicles.
- With this license, you can pursue a rewarding career in the trucking industry, which offers numerous job opportunities and competitive pay.

We offer discounts for Military Personnel and Multi-Student Enrollment
